

Minutes of January meeting of Central Ohio Tickin T's

The meeting was called to order by our president Rick Lindner. We went around the room and introduced ourselves and friends that were in attendance. Dave Soniker friends, Chris Figge, Don Rader, and Mike Wilson.

Treasurers report was given by John Seeds, it was discussed that the account was changed from Chase bank to Huntington Bank and multiple people have now signed so that the club doesn't have only one person on account. (with Larry's death account was difficult to access). Dues were collected for the upcoming year, they are \$10.00. If you haven't paid, John Seeds will continue to collect them.

Old Business: none was discussed

New Business:

1. Dave Nolting said the club was invited to display our T's at the Franklin County Fair in Hilliard, OH the weekend of July 13th or July 20th. The members present expressed interest in this endeavor so Dave will get us more information and it will be added to the website and emailed as it approaches. The club was leaning toward the July 13th Saturday.
2. It was discussed that the club sort of floundered in 2012 due to lack of activity and the return of Tech meetings was approved. Tech meetings were defined as the men getting together to refresh their memories on how to "fix" a T problem and the ladies would get together and shop. At the conclusion of the day a light dinner would be enjoyed by all. Anyone wishing to have a tech meeting should contact Tracy or Doug so it can be added to the events calendar.
3. Ted brought up the return of tours for our club and trying to reunite what has appeared to be a splintering of the mother's day tour. It was voted on by the club that we have a May tour the weekend after mother's day still in Berlin for this year. Ted and Tracy will make the hotel arrangements and reservations for dinner Friday and Saturday. Details will follow.
4. Brent asked if the club was interested in joining MTFCA. A vote was passed that we join. President Rick and Brent will facilitate this for our club.
5. It was suggested that the fall tour be moved to the end of September to help with weather and increase attendance. It was also discussed that we contact Tom and Patty Strickland to possibly plan the route for this in the Coshocton area since they had done so in the past and it was found to be very nice.
6. Quarterly meetings were planned.
 - April 27th.....at Dave and Cheri Nolting's this will also be a tech meeting on transmissions
 - July 20th....one day driving tour and possibly cooker tour to finish at Sharon Woods park to be planned.
 - October 25th....a bonfire wiener roast and potluck to at Monroe and Roseann Harbage's
7. Election of officers was as follows:

PRESIDENT-----Rick Lindner

VICE PRESIDENT-----GARRY NOLTING

TREASURER-----JOHN SEEDS

SECRETARY-----TRACY THOMPSON

NEWSLETTER AND WEBSITE-----Doug Dachenbach

8. Many dates were discussed for upcoming events they are listed at the end of the report. (some dates may have been accidentally omitted, as I was not secretary at the time of this discussion so great notes were not taken)
9. A pocket watch was auctioned.
10. The website is up and actively running please keep checking it for updates and the event calendar. Doug Dachenbach is the webmaster; if you want to add any news to the website please contact him.

Minutes of Quarterly meeting of Central Ohio Tickin T's

Meeting was held on April 27, 2013 at Farmstead Restaurant in Delaware County. There were 21 members present. This meeting followed a day of tech support at Dave and Cheri Nolting's home.

Meeting was called to order by President Rick Linder. John Seeds gave a treasurers report of approx. \$791.00. John is still accepting 2013 dues from members.

Upcoming tours were discussed.

Ted T. mentioned that members should be cautious when scheduling their reservations for the Berlin Weekend because we have a block of rooms booked at the Berlin Hotel and Suites NOT Berlin Grande Hotel. Also he is still accepting reservations for the Saturday meal.

Rick L. mentioned the upcoming Richmond, IN opening that Brent M. is participating at.

Doug D. recommended that we check the website for a complete schedule of events.

Tracy said she called about a location for the July Quarterly meeting and cooker tour. She will with the help of Doug D. confirm a location and get that information out to club members. All should keep July 27th free for a day cooker tour and potluck quarterly meeting.

Jamboree applications were passed out to those members that had not received them yet. A copy of this application is available on our website.

Meeting was then adjourned.

Minutes of Tickin T's of Central Ohio
October 26, 2013

The meeting was held at the home of Monroe and Roseanne Harbage.

The meeting was called to order by President Rick Linder.

Doug announced that the Christmas meeting would be at Cabela's in Columbus on December 15 at 5:30 PM. More info will be sent closer to the meeting.

It was suggested that each club member bring an unwrapped toy for toys for tots.

It was decided that election of officers would take place at the Dec. meeting since there were other clubs present at the October meeting.

ANNUAL WINTER MEETING DECEMBER 15, 2013

6:30 pm, Cabela's Columbus, Ohio

A pictorial slide show was presented during the meal showing pictures from this last years Club events.

President Rick Lindner called the meeting to order.

Tracy Thompson could not be present but sent minutes from the last meeting in October which were read by Doug Dachenbach. There were no corrections and the minutes were approved.

John Seeds gave the Treasurers report and said the bank balance is \$871.61. This past year we have spent \$50 the Lincoln Highway and \$40 for the meeting room at Cabela's. At tonight's meeting we have taken in approximately \$150 in dues payments for 2014. The Treasurers report was accepted.

There was no Old Business

Under New Business, Rick suggested that the Club may want to help support the "Power Up Piquette" which is the restoration of the first building owned and built by the Ford Motor Company in 1904 and where the Model T was designed and built for two years before the Highland Park plant. Moved by Brent Mize and Seconded by Jerry Banks, that we send \$100 to support this cause. Passed

Dave and Doug will put together a Tech meeting in late January or early February dealing with the diagnosing and repair of the front axle. It will be held at the home/shop of Doug Dachenbach. More information will be sent in the next couple weeks.

Doug spoke about the website and said we now own both TickinTsofcentralohio.US and .COM We hope to add .ORG this next year. A request was made to please check the roster at the tables and make corrections. A new roster will be sent out around the first of the year.

Brent announced that the MTFCA is having the Show & Tell event on May 17th and expanding it to add a Swap Meet. It will be a one day event but may conflict with our Berlin Tour.

The next order of business was the election of officers. Both John and Garrie indicated that they would continue and Rosanne said Tracy would also.
