OH NO Nellie!!!, the biscuits go into the cooker, **NOT** the Pillsbury Dough Boy.

Tickin T's Meeting

and

Cooker Tour July 27th

Ted & Tracy Thompson and Karen & Doug Dachenbach are planning a Cooker Tour plus our Summer Quarterly meeting. We will start and finish at the home of Karen and Doug in Blacklick with plenty of parking for your cars plus truck/trailer parking at Blacklick Elementary School just one mile away. There will be a recommended tour route at as we near the date. We promise lots of small country roads and in Eastern Franklin and Western Licking Co. Plan to join us, Cooker or not, T or not.

CLUB DOES SPRING TOUR IN BERLIN, OHIO

Hilliard Historical Village & Fair

July 20th

The admission is free to the Franklin County Fair, our village is part of that event for the week. It is my understanding through fair officials that anyone in your Model T is admitted Free (fair rides are extra). You will set up in the village. The village is next to the fair, and again it is part of the Fair attractions. If you are trailering in a car, depending on how many might do that, I will offer our company parking lot at 5242 Center Street, we do have a few High school lots also in the area that are empty since school is out, both locations are about a block away from the entry Gate. For Google purpose how to find the fair, it is 4100 Columbia Street, Hilliard. That will also be where you would enter since our village is located at that Gate.

We prefer the event to be opening day weather permitting July 13th, if cars want to come as early as 11am-1pm to set up and we hope you stay around until at least 4pm, all are welcome to stay beyond that, the fair closes at 11pm, we realize you may have a drive ahead to get home. The Rain Date is the 20th, however if you choose to just stay with the 13th Rain or Shine, the fair will be open Rain or Shine, just let us know. There are a few hotels in the area. Feel free to ask any other questions. Parking is also free which is in the grassy area off Northwest Parkway for those trailering in, if you want to park close to fair.
