It won't be the same if you aren't there!

This is the last meeting of the year and always a special time to share the season with our T friends. The Nutcracker is on Broad St. (St. Rt. 16) where North 310 crosses Rt. 16. It is 9.5 miles East of I 270 on the South side of the street. Plenty of parking in front and additional in the rear. Renew friendships, renew your membership (\$10) and enjoy slides of the year in review. There will be lots of door prizes for guys, ladies and kids. If you leave hungry, well you just must have gone to the wrong place.
